

Almamlaka TV Digital Expansion Initiative

Team & Governance Document

1. Project Team

Name	Role	Department
Sara Al-Rashid	Project Lead	Digital Strategy
Omar Fayez	Lead Engineer	Engineering
Lina Haddad	UX Design Lead	Design
Khalid Nasser	Marketing Lead	Marketing
Rana Sabbagh	Compliance Officer	Legal & Compliance

2. Governance Structure

The steering committee meets bi-weekly to review project status, budget utilization, and risk items. Decisions requiring budget changes above \$50,000 must be approved by the Finance Committee before implementation.

3. Revised Launch Date

Following the steering committee meeting on January 20, 2027, the public launch date was moved to April 1, 2027 to allow additional time for smart TV integration testing, which was identified as a high-risk item in the project timeline.

4. Data Privacy Policy

All user data collected through the mobile application and streaming portal will be handled in accordance with applicable data protection regulations. User data will not be shared with third parties without explicit consent, except where required by law.

5. Content Moderation Policy

User-generated comments and interactions on the platform are subject to Almamlaka TV's content moderation guidelines. Content that violates community standards will be removed, and repeat violations may result in account suspension.

6. Escalation Contacts

For technical escalations, contact the Engineering Lead. For budget or scope changes, escalate to the Project Lead, who will bring the item to the steering committee for review.
